

Premium Power Steering Fluid

DESCRIPTION:

Premium Power Steering Fluid is formulated using select base oils and an additive package to impact anti-wear and anti-foam properties to the finished product. It is specifically formulated for use in power steering systems.

FEATURES/BENEFITS:

- Formulated for Honda specs through 2006 along with most foreign cars
- Delivers maximum performance
- Prevents wear and slippage
- Effective against foaming, oxidation, corrosion and rusting
- Pours in sub-zero temperatures

APPLICATIONS:

Premium Power Steering Fluid is specially formulated to meet the services requirements for virtually all domestic and foreign manufacturers including Honda power steering systems. Do not use as an engine oil or transmission fluid.
